POLICY

“B” scholarship accounts are established and increased only through donations by individuals or groups outside the active Associated Students Organization.

REGULATIONS

1. Donations to any college for scholarship purposes must receive prior written approval of the College President.

2. “B” scholarship monies given to a student shall constitute a gift, unless a particular account was accepted by the Associated Students with other provisions.

3. Interest earned from investment of “B” scholarship funds shall be credited to the “B” scholarship account.
