The Trustees discussed the following Consent Calendar Items:

Com. No. BF1. Budget Revisions and Appropriation Transfers

Com. No. BSD1. Ratifications for Business Services

Com. No. BSD2. Business Services Routine Report
Mr. Larry Eisenberg, Executive Director, Facilities Planning and Development, noted that item V. Authorize Amendment to Design-Build Agreements D. as follows was inadvertently included in the listing of items and would need to be removed.

...  

V. AUTHORIZE AMENDMENT TO DESIGN-BUILD AGREEMENTS  

A. Authorize Amendment No. 3 to Design-Build Agreement No. 32235 with Chevron Energy Solutions  
B. Authorize Amendment No. 3 to Design-Build Agreement No. 32232 with Pankow Builders  
C. Authorize Amendment No. 2 to Design-Build Agreement No. 32881 with Harper Construction Company, Inc.  
D. Authorize Amendment No. 1 to Design-Build Agreement No. 32536 with FTR International.

Mr. Eisenberg noted the following amendment:

...  

F. Action  

Authorize Amendment No. 1 to Agreement No. 31488 with Ron Rakich & Associates to provide additional risk management service District-Wide within the existing contract period which expires on August 9, 2012 at a cost not to exceed $636,000 inclusive of eligible reimbursable expenses.

Inclusive of this amendment, the total amount of this agreement is $1,584,000.

Background  

This agreement was authorized by the Board of Trustees on August 8, 2007 (Com. No. FPD1). Ron Rakich & Associates was retained originally to 1) assure continued financial protection of the District from risks of loss arising out of construction activities; 2) assure that Owner Controlled Insurance Program (OCIP) savings goals are reached; 3) minimize risks of injury and property damage resulting from Program activities; and 4) continue management and oversight of the OCIP and the associated contractors and service providers.

While the time period originally authorized continues to August 9, 2012, the funding originally authorized was included only for the first three (3) years of the agreement. This proposed amendment provides funding for one (1) two (2) additional years of service. If approved, this five year agreement will be funded for a total of four years.

These proposed catalogue-type awards to Brocade and Hewlett-Packard (HP) are the result of a competitive Request for Proposals (RFP) process. The RFP was advertised in newspapers of general circulation and through other publicly accessible means. The responses to the RFP were evaluated by a committee comprised of representatives of the Information Technology staff at District college campuses and at the District Educational Services Center. As a result, Brocade and Hewlett-Packard (HP) were identified as the only two responsive responses.

These proposed catalogue agreements are supported by the District I.T. Department.
