WHEREAS, Board Rule 2801 provides that at the recommendation of the College President, the Board of Trustees may change the names of existing buildings; and

WHEREAS, The current building name of “Community Workforce Development Center” does not properly represent the primary functions of the building; and

WHEREAS, On March 26, 2015, the Building User Group (BUG) considered the name change to “Administration and Career Advancement” and recommended approval to the College President; and

WHEREAS, The Building User Group (BUG) and Los Angeles Valley College President Endrijonas recommend to the Board of Trustees the renaming of “Community Workforce Development Center” (previous name) to “Administration and Career Advancement” (proposed name); now, therefore, be it
