An act to add and repeal Sections 17053.86 and 23686 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL’S DIGEST

SB 284, as introduced, De León. Income taxes: credits: contributions to education funds.

The Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws.

This bill, under both laws, for taxable years beginning on or after January 1, 2014, and before January 1, 2017, would allow a credit equal to a certain percentage of a contribution to the College Access Tax Credit Fund, established by this bill, for specified education purposes, as provided. This bill would specify that the aggregate amount of credit that may be allocated under both laws shall not exceed $500,000,000 for each calendar year, and would require the Treasurer to perform certain duties with regard to allocating and certifying the tax credits allowed under these provisions.

This bill would take effect immediately as a tax levy.

The people of the State of California do enact as follows:
