

**Friday, January 24, 2020
District Planning Committee**

District Planning Committee (DPC)

The DPC addresses issues related to district-wide planning, institutional effectiveness, and accountability.

The committee's charge is to serve as the central committee focused on the development, implementation and evaluation of the District Strategic Plan. The committee also coordinates District and college planning and presentations of institutional effectiveness reports related to the fulfillment of the District Strategic Plan as well as state institutional effectiveness requirements. The DPC also coordinates the evaluation of District Shared Governance processes and facilitate the sharing of institutional best practices. DPC reports to the Chancellor's Cabinet and consults with Vice President Councils, District Academic Senate, District Research Committee, District Budget Committee, Technology Planning and Policy Committee

DPC meets on 4th Friday of the month, from 12:30-2:30 p.m. at the ESC

Goals  [Goal 1: Access to Educational Opportunities](#)
 [Goal 2: Premier Learning Environments](#)
 [Goal 3: Student Success and Equity](#)
 [Goal 4: Organizational Effectiveness](#)
 [Goal 5: Fiscal Integrity](#)

Review Outcomes of DPC of First Year Priorities

Data for most first year DSP priorities is assembled in the attached handout. Note that reporting on a number of DSP objectives is based on metrics from the CCCC's Student Success Measures (SSM). This data source is new, was selected in order to achieve alignment with state accountability metrics, and will require additional validation to ensure data accuracy.

Research Plan for AB705 Outcomes and Preliminary Analyses

EPIE has developed a comprehensive evaluation plan to analyze the impacts of AB705 implementation, including a detailed examination of course drop, completion, survey, through-put and tutoring data. The following analyses will be developed and presented at the Feb. 19th and future IESS Committee meetings.

Drop (W) Rate**Analyses and Disaggregations**

- College
- Student demographics/characteristics
- Course

Successful Course Completion**Analyses and Disaggregations**

- College
- Student demographics/characteristics
- Course (including support courses)
- Placement (new students vs students continuing in sequence; high school GPA band)
- Grade distribution: D and F grades vs W
- Program of study

[A preliminary district-wide comparison of English and math course success rates (Fall 2019 vs Fall 2018) is attached].

AB705 Student Drop Survey

- Analyses and disaggregations by college, course, student demographics/characteristics

Tutoring Utilization and Impacts

- Net Tutor Utilization
- Impact of tutoring usage (including NetTutor, embedded, and/or tutoring center) on course completion (disaggregations by college, course, student demographics/characteristics)

Student Throughput (Completion of Transfer Level Math and English)

- Calculation of throughput numbers and rates and comparison to prior periods
- Disaggregation by college, course, and student demographics/characteristics

Persistence: Fall to Spring

- Analyses and disaggregations by college, course, student demographics/characteristics
