All applicants are welcome!

Older adults looking for career changes, new training certificates or updates to advance existing careers are especially welcome.

All LACCD colleges will have admissions personnel available to help you with registration and to answer your questions. Our colleges include [East Los Angeles College](#); [Los Angeles City College](#); [Los Angeles Harbor College](#); [Los Angeles Mission College](#); [Los Angeles Pierce College](#); [Los Angeles Southwest College](#); [Los Angeles Trade-Technical College](#); [Los Angeles Valley College](#) and [West Los Angeles College](#). ***We are the Colleges of L.A.!***

[Open Enrollment](#) for the Fall 2020 Semester continues until August 31, 2020 when the semester begins. New applicants can go to <http://lacolleges.net/> for application and registration information. Existing students within the LACCD system can enroll in classes via the student portal, Mycollege.laccd.edu, with their student email and password. Current LACCD students who needs help accessing the student portal can contact the Portal Help Desk, 8:30 a.m. to 4:30 p.m., Monday through Friday, at (844) 695-2223 or email, studenthelp@laccd.edu. The Help Desk is for portal access issues only, not enrollment help. Use the links below for enrollment help Aug. 19.

LACCD's Fall 2020 Semester will be primarily conducted in a remote learning environment—just like everybody else—due to the ongoing COVID-19 public health emergency. However, many classes that support careers and education for the state's essential services workforce infrastructure—such as healthcare, construction/utility and mechanical—will have limited on-campus instruction to complete those fall term classes. The limited on-campus classes are now listed in the Fall enrollment catalog. Enrollment Registration links per college are:
