 - SB 293 (Padilla)
The retention proceeds withheld from any payment by a public entity from the original contractor, by the original contractor from any subcontractor, and by a subcontractor from any subcontractor thereunder shall not exceed five percent of the payment. In no event shall the total retention proceeds withheld exceed five percent of the contract price.
 - AB 795 (Block)
This bill would provide that the campuses of the California Community Colleges and the California State University have the authority to enforce existing smoking prohibitions -- inside public buildings and in outdoor areas-- through adopting policies and regulations and imposing citations and fines.

- AB 160 (Portantino)
The bill would authorize the governing board of the school district to authorize a pupil -- with parental consent and the recommendation of a CTE dean-- to attend a community college during any session or term as a special part-time or full-time student and undertake courses in CTE.

This bill would also authorize the governing board of a community college district to enter into a formal partnership with school districts located within its immediate service area to allow secondary school pupils to attend community college if those pupils have exhausted all opportunities to enroll in an equivalent course at the high school of attendance, adult ed. program, continuing ed., or other program offered by the governing board of the school district, and if those pupils may benefit from advanced scholastic, career-technical, or vocational coursework. The bill would authorize enrollment priority for students attending community college pursuant to a partnership agreement established under the bill.
