III. REPORTS/RECOMMENDATIONS

A. LACCD Positions Required for Bills

- AB 1500 (Perez) Establishes the *Middle Class Scholarship Fund* and modifies the Single Sales Factor corporate tax law to reverse the \$1 billion tax benefit provided in 2009 to out-of-state corporations. Revenues generated from modifying this corporate tax law will be deposited into the *Middle Class Scholarship Fund* to provide economic relief to middle income families pursuant to the Middle Class Scholarship established in AB 1501.
- AB 1501 (Perez) Establishes the *Middle Class Scholarship* for those families who earn less than \$150,000 per year. It provides funding to improve affordability of California Community Colleges and slashes student fees by two-thirds for middle class students at the CSU and the UC.
- SB 1328 (De Leon) Requires publishers, that supply textbooks or other instructional material to a postsecondary institution, to provide information about that textbook (e.g., title, author, publisher, retail price, edition, copyright, ISBN) using a standard *Xml* or *comma-delimited* format, or both. (Formats defined in bill.) Existing law urges publishers to take specified actions aimed at reducing the amounts that postsecondary education students currently pay for textbooks.
- SB 1509 (Simitian) Deletes the January 1, 2014 repeal date for a school district governing board to enter into a design-build contract for both the design and construction of a school facility if specified requirements are met. The bill would make the chapter operative indefinitely.
