#### Agenda

(Items may be taken out of order)

- I. ROLL CALL
- II. PUBLIC SPEAKERS\*
- III. REPORTS/RECOMMENDATIONS
  - A. LACCD Positions Required for Bills
    - AB 1500 (Perez) Establishes the *Middle Class Scholarship Fund* and modifies the Single Sales Factor corporate tax law to reverse the \$1 billion tax benefit provided in 2009 to out-of-state corporations. Revenues generated from modifying this corporate tax law will be deposited into the *Middle Class Scholarship Fund* to provide economic relief to middle income families pursuant to the Middle Class Scholarship established in AB 1501.
    - AB 1501 (Perez) Establishes the *Middle Class Scholarship* for those families who earn less than \$150,000 per year. It provides funding to improve affordability of California Community Colleges and slashes student fees by two-thirds for middle class students at the CSU and the UC.
    - SB 1328 (De Leon) Requires publishers, that supply textbooks or other instructional material to a postsecondary institution, to provide information about that textbook (e.g., title, author, publisher, retail price, edition, copyright, ISBN) using a standard *Xml* or *comma-delimited* format, or both. (Formats defined in bill.) Existing law urges publishers to take specified actions aimed at reducing the amounts that postsecondary education students currently pay for textbooks.

- SB 1509 (Simitian) Deletes the January 1, 2014 repeal date for a school district governing board to enter into a design-build contract for both the design and construction of a school facility if specified requirements are met. The bill would make the chapter operative indefinitely.
- **Companion Bills SB 1356 (De Leon) and SB 1466 (De Leon)**

**SB 1356 (De Leon) This bill would expand Cal Grants to middle income Californians through \$500 million in available tax credits in the Higher Education Investment Tax Credit Fund by leveraging federal tax deductions for charitable contributions. The Personal Income Tax Law and the Corporate Tax Law allow various credits against the taxes imposed by those laws.**

**SB 1466 (De Leon) Commencing with the 2014-15 academic year, this bill would expand the household income level for Cal Grants to include middle-income Californians whose families make less than \$150,000 a year.**
