REPORTS/RECOMMENDATIONS

Preliminary Update on Governor's May Revise Budget Proposal (comprehensive Update to Follow on June 12, 2013)

A document entitled "Budget Update – May Revise" was distributed.

Mr. Patrick McCallum summarized the document with respect to the following Governor's May Revise proposals for community colleges: \$340 million deferral buy down for 2012-13, \$227 million in programmatic funding for 2013-14, adult education, Proposition 39, and policy proposals.

SB 705 (Block)

This bill would appropriate \$50 million to the Board of Governors of the California Community Colleges for allocation as scheduled to Disabled Student Programs and Services (DSPS) and Extended Opportunity Programs and Services (EOPS). These funds would be allocated equally to the two programs cited. It is the intent of the Legislature that the allocations shall be paid for with savings realized from extending the period for paying down community college deferrals.

Documents entitled "SB 705 (Block): Community Colleges: appropriation" and "Senate Bill No. 705" were distributed.

Mr. Mark McDonald discussed the documents and recommended that the Committee support SB 705 (Block).

Motion by Trustee Santiago, seconded by Trustee Field, to support SB 705 (Block).

Without objection, so ordered.

APPROVED: 2 Ayes

SB 150 (Lara)

This bill would authorize a community college district to exempt a pupil attending a community college as a special part-time student from paying non-resident tuition at the community college. Part-time students (six or fewer units) exempted from the non-resident tuition would include: a non-resident who is a citizen and resident of a foreign country, if he or she has demonstrated financial need. Not more than 10 percent of the non-resident foreign students attending a community college district may be so exempted.

Documents entitled "SB 150 (Lara): Pupils: concurrent enrollment in secondary school and community college: nonresident tuition exemption" and "Senate Bill No. 150" were distributed.

Mr. McDonald discussed the documents and recommended that the Committee support SB 150 (Lara).
