

# SUPPORT AB 1040

Almost 8 in 10 community college students are students of color.

**Only 60%**

of community colleges offer an ethnic studies course.

Tell your legislators that curriculum **must** be reflective of CA's diverse student population.

## **CALL TO ACTION!**

**Support AB 1040, the  
CA community college  
ethnic studies bill.**

**This bill will help introduce new cultural perspectives  
and develop critical thinking skills through ethnic  
studies courses to help advance a more inclusive and  
just society that values diversity and equity.**

**Tell Senators Leyva, Pan, Glazer, McGuire,  
and Cortese to vote AYE on AB 1040 TODAY.**
