

LOS ANGELES TRADE-TECH COLLEGE

Located just south of downtown Los Angeles, Los Angeles Trade-Technical College (LATTC) is one of nine public community colleges in the Los Angeles Community College District (LACCD).

Established in 1925, the college offers more than 80 career-technical programs that move students into exciting careers in two years or less.

In addition to an unmatched selection of quality career programs, LATTC prepares students for transfer, with 18 CSU transfer degrees, and transfer guarantee programs with the University of California and local private and independent colleges and universities.

Financial Aid and The College Promise

Paying for college can be a challenge, but we are here to help. Take advantage of all the financial aid opportunities available

to you such as federal, state, and local grants as well as fee waivers, federal work-study, and loans. For more information, visit lattc.edu/financial-aid.

LATTC is waiving tuition fees and providing guaranteed admission to first-time, full-time students as part of the College Promise. This means that all students will receive support in their journey to complete a higher education degree and/or a certificate no matter their financial situation—it is not income-based. For more information, visit lattc.edu/admissions/la-college-promise.
