Vice Chancellor/Chief Facilities
Executive (Interim)

Subject: Filing of Notice of Determination in compliance with Section 21152 of the Public Resources Code

Project Title: 9700 S. Sepulveda Boulevard Surplus Purchase and Sale
Project Entity: Los Angeles Community College District and Los Angeles World Airports
State Clearinghouse Number: 2019049020
Project Location: 9700 S. Sepulveda Boulevard
City: Los Angeles **County:** Los Angeles

Project Description: Los Angeles Community College District (LACCD) has owned the property located at 9700 S. Sepulveda Boulevard in the City of Los Angeles, California (APN 4124-026-900) (Project Site) since 1954. There are four buildings on the Project Site used for storage with the remainder of the site used for commercial parking. LACCD is considering the sale of the property at fair market value to the City of Los Angeles (acting by order of and through its Board of Commissioners for Los Angeles World Airports [LAWA]) under the threat of condemnation. LAWA intends to later construct an elevated roadway on the Project Site, as part of and in conjunction with LAWA's larger Airfield and Terminal Modernization Project (ATMP) of Los Angeles International Airport (LAX). The LACCD action is limited to 1) a surplus determination under the California Surplus Land Act; 2) an agreement authorizing LAWA to submit a variance application to the City of Los Angeles for the elevated roadway and authorizing LAWA to access and perform due diligence analysis of the site and 3) the potential sale of the entire site to LAWA (collectively, the proposed Project). LAWA, as a public entity, will assume ownership and management of the Project Site following any sale.

LACCD, as a responsible agency, has reviewed the ATMP EIR (State Clearinghouse Number 201904020) and Addendum previously approved by LAWA as the lead agency on October 7, 2021 and January 16, 2025 (respectively) and each of the mitigation measures and alternatives identified in the EIR. On March 5, 2025 the Board of Trustees of the Los Angeles Community College District (Responsible Agency) has:

- Adopted a resolution making responsible agency findings based on the Airfield and Terminal Modernization Project Environmental Impact Report for the proposed surplus land act determination; proposed approval of an agreement regarding variance, access and due diligence; and potential sale of the property located at 9700 S. Sepulveda Boulevard;
- Adopted a resolution approving an agreement regarding variance, access, and due diligence with the City of Los Angeles (acting by order of and through its Board of Airport Commissioners; and
- Adopted a resolution declaring the disposition of property located at 9700 S. Sepulveda Boulevard "Exempt Surplus Land" for transfer to another agency under the California Surplus Land Act.

Further, on March 5, 2025, the Board of Trustees of the Los Angeles Community College District has found that:

1. <input type="checkbox"/>	The Project will have a significant effect on the environment.
<input checked="" type="checkbox"/>	The Project will NOT have a significant effect on the environment
2. <input checked="" type="checkbox"/>	An Environmental Impact Report was prepared and certified for this Project and LACCD has independently reviewed and considered the EIR.
<input type="checkbox"/>	A Negative Declaration was prepared for this Project pursuant to the provisions of CEQA.
<input type="checkbox"/>	A Mitigated Negative Declaration was prepared for this Project pursuant to the provisions of CEQA.
3. <input type="checkbox"/>	Mitigation measures were made a condition of the approval of the Project.
